This brochure is designed to provide the public with information and a summary of regulations pertaining to **bird dog training and quail hunting only** on the Quail Enhancement Area of the Apalachicola Wildlife Management Area. For information regarding other hunting and recreational opportunities on this area, see the Apalachicola Wildlife Management Area brochure. **Regulations that are new or differ substantially from last year are shown in bold print.** Area users should familiarize themselves with all regulations. For exact wording of the wildlife laws and regulations, see the Florida Fish and Wildlife Conservation Commission's wildlife code, on file with the Secretary of State and state libraries. This brochure, the Florida Hunting Regulations handbook and special-opportunity worksheet should provide the information necessary for you to plan your hunting activities. These publications are available from any Commission office, county tax collector and at MyFWC.com.

Persons using wildlife management areas are required to have appropriate licenses, permits and stamps. The following persons are exempt from all license and permit requirements (except for quota permits when listed as "no exemptions", recreational use permits, antlerless deer permits and the Migratory Bird Hunting and Conservation Stamp [federal duck stamp]): Florida residents who are 65 years of age or older; residents who possess a Florida Resident Disabled Person Hunting and Fishing Certificate; residents in the U.S. Armed Forces, not stationed in Florida, while home on leave for 30 days or less, upon submission of orders; and children under 16 years of age. Children under 16 years of age are exempt from the federal duck stamp. Anyone born on or after June 1, 1975 and 16 years of age or older must have passed a Commission-approved hunter-safety course prior to being issued a hunting license,

except the Hunter Safety Mentoring exemption allows anyone to purchase a hunting license and hunt under the supervision of a licensed hunter, 21 years of age or older, for one year.

Hunting, trapping and fishing licenses, and management area, archery, muzzleloading gun, wild turkey and state waterfowl permits may be purchased from county tax collectors, license agents, MyFWC.com/license or by telephone at 1-888-486-8356. A no-cost Migratory Bird Permit is available when purchasing a hunting license. Any waterfowl hunter 16 years of age or older must possess a federal duck stamp; available where hunting licenses are sold, at most post offices or at duckstamp.com. Americans with Disabilities Act accessibility information is available at MyFWC.com/ADA.

QUOTA PERMIT INFORMATION:

Quail - A maximum of 2 quota permits may be available for up to 6 Saturdays in January and February combined, no exemptions. These are no-cost, quota permits (up to 2 hunters per permit; no exemptions). The permits issued will be based on a fall quail population survey. It is possible that no permits will be issued.

Permit applications (all application dates are for **2009**): Hunters must submit electronic applications for quota permits at a license agent, county tax collector's office or at MyFWC.com. Most quota permits are issued during a random drawing, which includes all applications submitted during the times and dates listed below. Any remaining permits are issued first-come, first-served.

Youth and Mentor exemptions: One youth hunter (less than 16 years of age) hunting during seasons listed as "no exemptions" or one mentor license holder and their respective supervisor may access the area and participate in

any quota hunt (except special-opportunity), provided at least one hunter holds a valid quota permit and both hunters share a single bag limit of game. A supervisor for a youth must be 18 years of age or older. A supervisor for a mentor license holder must be a licensed hunter and 21 years of age or older. Only those supervisors with proper licenses and permits may hunt.

A worksheet listing available quota permits may be obtained on or about November 19 from the Panama City office or at MyFWC.com/hunting. Apalachicola Quail Enhancement Area permit applications may be submitted from 10 a.m. November **20** until midnight December **2**.

Transfer of permits: Quail quota and special-opportunity permits are transferable. Quail quota permits issued to exempt hunters are transferable only to another person with the same type of exemption, except permits marked "exempt senior" may be transferred to a youth younger than 16 years of age. The sale or purchase of any quota permit is prohibited.
