ADA ACCOMMODATION REQUEST FORM

The Florida Fish and Wildlife Conservation Commission (FWC) is committed to providing equal opportunity and access to all agency programs and activities. FWC shall make every effort to satisfy requests made by persons with disabilities, provided the accommodation does not result in a fundamental alteration in the nature of the program or activity, does not create an undue financial or administrative burden, or does not constitute a violation of state or federal law. If you are an individual with a disability who needs an accommodation to participate in a service, program, or activity, you are entitled, at no cost to you, to the provision of certain assistance. Requests for accommodations may be presented on this form, in another written format, or you may contact the Office of Human Resources or Licensing and Permitting if you need assistance in completing the form. Upon request by a qualified individual with a disability, this document may be made available in an alternate format.

In the context of assessing an accommodation request, medical documentation may be needed. Medical documentation is often needed to determine if the applicant has a disability covered by the ADA and is entitled to an accommodation (i.e., has a permanent disability, as distinguished from temporary disability, that substantially limits one or more major life activities, affects the applicant’s ability to access a program or activity) and if so, to help identify an effective accommodation.

Generally, in the context of an accommodation, medical inquiries related to an applicant’s disability and functional limitations are permissible and may include consultations with knowledgeable professional sources, such as doctors, occupational and physical therapists, rehabilitation specialists, and organizations with expertise in adaptations for specific disabilities.

The applicant has the responsibility to ensure that the medical provider follows through on requests for medical information.

Please review the following instructions to identify the person or person(s) to whom you should forward your request. Your request will be reviewed by the appropriate FWC official. You will be notified of the resolution of your request or provided an explanation if the agency is unable to provide an accommodation.

For Job Applicant Accommodation Requests:
Please forward your request to the appropriate recruiting hiring authority. If you do not know the agency hiring authority’s name or address, please contact the FWC Office of Human Resources at (850) 488-6411 or the People First Service Center at 877-562-7287. Requests should be made no later than the first business day after the end of the announcement period.

For applicant accommodation requests, a “bona-fide” physical or mental skill or ability may be required to satisfactorily perform the duties of the job as described on the official position description and/or class specification. Applicants must be able to perform all essential functions of the position, with or without reasonable accommodation.

Please forward your request to the FWC Office of Human Resources at 620 S Meridian Street, Tallahassee, Florida 32399.
