

Wild Turkey Registry Program Official Application

The Wild Turkey Registry Program offers three types of certificate awards for successful turkey hunters meeting award criteria. Minimum qualifications for Outstanding Gobbler Certificates are: the beard must be **11 inches** or longer; **and** each leg spur must be **1 and 1/4 inches** or longer. All beard and spur measurements should be taken to the nearest 1/8 inch. For multiple beards or spurs, record only the measurement of the longest beard or spur. Applications for birds with beards measuring 14 inches or longer must include a photograph clearly showing the measurement. Applications for birds with spurs measuring 1.5 inches or longer must include photographs clearly showing the measurement.

An **Outstanding Gobbler Certificate: Osceola subspecies** (*Meleagris gallopavo osceola*) will be awarded to any hunter who harvests a turkey meeting the minimum spur and beard measurements south of but **NOT** including Taylor, Lafayette, Suwannee, Columbia, Baker and Nassau counties.

An **Outstanding Gobbler Certificate: Eastern subspecies** (*Meleagris gallopavo silvestris*) will be awarded to any hunter who harvests a turkey meeting the minimum spur and beard measurements in Florida counties north and west of, **and** including Taylor, Lafayette, Suwannee, Columbia, Baker and Nassau counties.

A **First Gobbler Certificate** will be awarded to any applying youth hunter (hunter less than 16 years of age on the date the turkey was taken) who harvests his or her first gobbler in Florida if the gobbler does not meet the minimum spur and beard measurements for an Outstanding Gobbler Certificate.
