

MEMORANDUM

To: Florida Fish and Wildlife Conservation Commissioners
From: Colonel Curtis Brown, Director, Division of Law Enforcement
Date: September 26, 2018
Subject: Boating Safety Enforcement Presentation

Purpose:

To brief the Commission on the state of the Division of Law Enforcement's boating safety enforcement and boating access improvement efforts.

Summary:

This presentation will summarize the Division's collective efforts related to boating enforcement captured in the Recreational Boating Safety (RBS) Performance Report and the annual Boating Accident Statistical Report. Categories include but are not limited to: water patrol, boating under the influence (BUI), boating accident investigation, uniform boating citations and warnings issued, and boating education. Additionally, information will also focus on the Division's recent boating access improvement efforts funded by the Florida Boating Improvement Program (FBIP), the Boating Infrastructure Program (BIG) and Sportfish Restoration/Natural Resources Damage Assessment funds.

Staff Recommendation:

This presentation is for informational purposes only. Staff is not requesting Commission action at this time.
