

Alligator Harvest Unit Maps

These maps are offered as a courtesy to familiarize participants with the general location of each harvest unit (excluding county-wide harvest units). Some harvest units are more restrictive than others so please refer to your permit for full details of the harvest unit description, boundary, and harvest period.

Maps of the county-wide harvest units are currently unavailable. To search for bodies of water that have been hunted under a county-wide permit in the past, please use the “Statewide Alligator Harvest Data Search” resource located on the MyFWC.com website here:
