# TABLE OF CONTENTS

## I. Boating Accident Review

- Number of Accidents - 2016 Top Ten States ........................................ 1
- Number of Recreational Registered Vessels, Top Ten States .............. 1
- Florida Reportable Accidents (2013-2017) ....................................... 2
- Total Florida Registered Vessels (2013-2017) ................................... 2

## II. 2017 Reportable Boating Accidents

- 2017 Vessel Registration and Accident Statistics by County ............. 3-4
- Top Ten Counties ............................................................................. 5
- Investigating Agency ....................................................................... 5
- Accidents by Month ........................................................................ 5
- Time of Day .................................................................................... 6
- Accident Site Location ................................................................... 6
- Restricted Area Accidents ............................................................... 6
- Primary Type of Accident ............................................................... 7
- Secondary Type of Accident ........................................................... 7
- Operation at Time of Accident ....................................................... 8
- Activity at Time of Accident ........................................................... 8
- Vessel Count in Reportable Accidents ............................................ 9
- Vessel Type, Length & Propulsion ................................................ 9
- Vessel Fuel & Hull Type ................................................................. 10
- Vessel Ownership ......................................................................... 10
- Primary Cause Assessed by Reviewing Authority ......................... 11
- Boat Operator Age, Experience and Gender .................................. 11
- Operator/Occupant Swimming Ability and PFD Use ...................... 12
- Operator Education ....................................................................... 12
- Operator by Age with No Boater Education (2013-2017) .............. 12
- PFD Wear by Age ......................................................................... 13
- Victim Statistics ............................................................................ 13
- State Waters vs. Offshore Waters Accidents .................................. 13
- Victim Statistics (Ejected) .............................................................. 13
III. 2017 Boating Fatalities

Top States 2016
Florida Total Fatalities Recorded (2013-2017)
Investigating Agency
Fatal Accidents by Month
Time of Day
Accident Types
Operation at Time of Accident
Accident Site Location
Restricted Area Fatal Accidents
Vessel Ownership
Vessel Fuel & Hull Type
Vessel Propulsion, Length & Type
Primary Cause of Death
Operator Gender
Operator Age and Experience
Operator Education
Operators by Age without Formal Boater Education
Victim Statistics (Ejected, Wearing PFD, Swimming Ability)
Victim Residency
Victim Gender and Age
Alcohol/Drug Related Accidents and Victims
Primary Cause Assessed by Reviewing Authority
State Waters vs. Offshore Waters

IV. 2017 Boating Injuries

Total Injuries Recorded (2013-2017)
Types of Injury
Victim Statistics (Injured)
Victim Swimming Ability and PFD Use

V. 2017 Personal Watercraft (PWC) Accidents

PWC Registration and Accidents by County
Total PWC Registration
PWC Ownership by Registration
Comparison of PWC to Vessels Involved in Accidents
Top Ten Counties for PWC Accidents
Accident Site Location
V. 2017 Personal Watercraft (PWC) Accidents (Continued)

- Restricted Area Accidents .......................................................... 28
- Operation at Time of Accident .................................................. 28
- Primary Type of Accident ......................................................... 29
- PWC Operator Age, Ownership and Experience ....................... 29
- PWC Operator Education ......................................................... 30
- Primary Injury Types ............................................................... 31
- PWC Fatalities/Injuries vs. Total Fatalities/Injuries .................... 31
- Primary Cause Assessed by Reviewing Authority ..................... 32
- Investigating Agency ............................................................... 32

VI. 2017 Boating Education Statistics

- Top Ten Counties ................................................................. 33
- Card Distribution by Age ....................................................... 33
- Operators Involved in Accidents ............................................. 34
- Operators Involved in Fatal Accidents ................................... 34

VII. 2017 Boating Violation Statistics

- Uniform Boating Citation Summary ....................................... 35

VIII. 2017 Top Ten Counties Review

- Top Ten Counties Map ........................................................... 37
- Monroe County ...................................................................... 38-39
- Miami-Dade County .............................................................. 40-41
- Palm Beach County .............................................................. 42-43
- Pinellas County ................................................................. 44-45
- Lee County ........................................................................ 46-47
- Broward County ................................................................. 48-49
- Collier County .................................................................... 50-51
- Brevard County ................................................................. 52-53
- Hillsborough County ............................................................ 54-55
- Charlotte County ............................................................... 56-57
IX. Trend Analyses

Reportable Accidents 2008-2017 ......................................................... 59
Recreational Vessel Registration 2008-2017 ................................. 59
Fatalities 2008-2017 ....................................................................... 60
Injuries 2008-2017 ......................................................................... 60
Boating Safety Education ID Cards Issued 2008-2017 ................. 61
Fatalities by Quarter 2008-2017 ....................................................... 61
Fatalities- Quarters 1 and 2 ................................................................. 62
Fatalities- Quarters 3 and 4 ................................................................. 63
Vessel Types 2013 – 2017 ................................................................. 64
Operator by Age 2008 – 2017 ........................................................... 65

X. Glossary of Definitions for Boating Accident Report Forms ....... 67-70

Photo detail: Officer Bryce Phillippi investigating a boating accident in Tampa Bay. The vessel impacted the rocks along the Howard Frankland Bridge during a thunderstorm.
