R - restricted species or RS designation, P - protected species, M - marine life endorsement. Both restricted and protected species require a restricted species endorsement. E - research only. See Florida Administrative Code Chapter 68B.

\*\*\* For non-restricted species only.  
Text in **bold** print are recent additions/changes.

\* Must include appropriate unit, size, grade code listed above. Where no size or grade are indicated, please see the size/market and grade code lists for other appropriate codes. See unit, size, and grade lists for code descriptions.

Revised Oct. 29, 2019.
