# TABLE OF CONTENTS

## I. Boating Accident Review

- Number of Accidents - 2018 Top Ten States ........................................ 1
- Number of Recreational Registered Vessels, Top Ten States .............. 1
- Florida Reportable Accidents (2015-2019) ...................................... 2
- Total Florida Registered Vessels (2015-2019)................................... 2

## II. 2019 Reportable Boating Accidents

- 2019 Vessel Registration and Accident Statistics by County .......... 3-4
- Top Ten Counties ........................................................................... 5
- Investigating Agency ..................................................................... 5
- Accidents by Month ....................................................................... 5
- Time of Day ..................................................................................... 6
- Accident Site Location ................................................................... 6
- Restricted Area Accidents ............................................................... 6
- Primary Type of Accident ............................................................... 7
- Secondary Type of Accident .......................................................... 7
- Operation at Time of Accident ....................................................... 8
- Activity at Time of Accident .......................................................... 8
- Vessel Type, Length & Propulsion ............................................... 9
- Vessel Fuel & Hull Type .................................................................. 10
- Vessel & Property Damage Figures (2015-2019) ............................ 10
- Vessel Ownership ......................................................................... 10
- Primary Cause Assessed by Reviewing Authority ......................... 11
- Boat Operator Age, Experience and Gender .................................. 11
- Operator/Occupant Swimming Ability and PFD Use ....................... 12
- Operator Education ....................................................................... 12
- Operator by Age with No Boater Education (2015-2019)................. 12
- PFD Wear by Age ......................................................................... 13
- Victim Statistics ............................................................................ 13
- State Waters vs. Offshore Waters Accidents ................................. 13
- Victim Statistics (Ejected) ............................................................... 13
II. 2019 Boating Fatalities

Top Ten States 2018 ................................................................. 15
Florida Total Fatalities Recorded (2015-2019) ....................... 15
Investigating Agency ......................................................... 15
Accidents by Month ............................................................. 16
Time of Day ................................................................. 16
Accident Types ................................................................. 16
Operation at Time of Accident ............................................ 17
Accident Site Location ........................................................ 17
Restricted Area Fatal Accidents ........................................... 17
Vessel Ownership .............................................................. 18
Vessel Fuel & Hull Type ....................................................... 18
Vessel Propulsion, Length & Type ....................................... 18
Primary Cause of Death .................................................... 19
Operator Gender ............................................................. 19
Operator Age and Experience ........................................... 19
Operator Education ......................................................... 20
Operators by Age without Formal Boater Education .............. 20
Victim Statistics (Ejected, Wearing PFD, Swimming Ability) . 20
Victim Residency ............................................................ 21
Victim Gender and Age ...................................................... 21
Alcohol/Drug Related Accidents and Victims ......................... 21
Primary Cause Assessed by Reviewing Authority ................. 22
State Waters vs. Offshore Waters ........................................ 22

IV. 2019 Boating Injuries

Total Injuries Recorded (2015-2019) ...................................... 23
Types of Injury ........................................................................ 23
Victim Statistics (Injured, Swimming Ability and PFD Use) .... 24
Victim Statistics (Ejected, Alcohol/Drug USE and AGE) ....... 25
Injury Action ......................................................................... 25

V. 2019 Personal Watercraft (PWC) Accidents

PWC Registration and Accidents by County ......................... 27-28
Total PWC Registration ...................................................... 29
PWC Ownership by Registration ........................................ 29
Comparison of PWC to Vessels Involved in Accidents .......... 29
Top Ten Counties ............................................................... 29
Accident Site Location ......................................................... 30
V. 2019 Personal Watercraft (PWC) Accidents (Continued)

- Restricted Area Accidents
- Operation at Time of Accident
- Primary Type of Accident
- Primary Cause Assessed by Reviewing Authority
- PWC Ownership
- Operator Education
- Operators by Age without Boater Education (2015-2019)
- Operator Age and Experience
- Primary Injury Types
- Injuries (2015-2019)
- Comparisons of PWC Injuries
- Comparisons of PWC Fatalities
- Fatalities (2015-2019)
- Investigating Agency
- Accidents by Month

VI. 2019 Boating Education Statistics

- Top Ten Counties Boating Safety Education Cards Issued
- Card Distribution by Age and Gender
- Operators Involved in Accidents Education/Age
- Operators Involved in Fatal Accidents Education/Age

VII. 2019 Boating Violation Summary

- Uniform Boating Citation Summary

VIII. 2019 Top Ten Counties Review

- Top Ten Counties Map
- Monroe County
- Miami-Dade County
- Palm Beach County
- Lee County
- Pinellas County
- Broward County
- Martin County
- Okaloosa County
- Collier County
- Citrus County
IX. Trend Analyses

- Reportable Accidents 2010-2019 ................................................................. 61
- Recreational Vessel Registration 2010-2019 .................................................. 61
- Fatalities 2010-2019 .................................................................................. 62
- Injuries 2010-2019 .................................................................................... 62
- Boating Safety Education ID Cards Issued 2010-2019 .......................... 63
- Fatalities by Quarter 2010-2019 ................................................................. 63
- Fatalities- Quarters 1 and 2 .................................................................. 64
- Fatalities- Quarters 3 and 4 ................................................................. 65
- Vessel Types 2015-2019 ........................................................................... 66
- Operator by Age 2010-2019 ................................................................. 67
- PWC Accidents, Fatalities, and Injured 2010-2019 .......................... 68

X. Glossary

Definitions for Boating Accident Report forms ...................................... 69-74
