TABLE OF CONTENTS

I. Boating Accident Review

   Number of Accidents, Top Ten States 2020 ...........................................1
   Number of Recreational Registered Vessels, Top Ten States........... 1
   Florida Reportable Accidents (2017-2021) ........................................2
   Total Florida Registered Vessels (2017-2021) .................................2

II. 2021 Reportable Boating Accidents

   2021 Vessel Registration and Accident Statistics by County........... 3-4
   Top Ten Counties ........................................................................... 5
   Investigating Agency ....................................................................... 5
   Accidents by Month ........................................................................ 5
   Time of Day .................................................................................... 6
   Accident Site Location ..................................................................... 6
   Restricted Area Accidents ............................................................... 6
   Primary Type of Accident ............................................................... 7
   Secondary Type of Accident ............................................................ 7
   Operation at Time of Accident ....................................................... 8
   Activity at Time of Accident ........................................................... 8
   Vessel Type, Length & Propulsion .................................................... 9
   Vessel Fuel & Hull Type .................................................................... 10
   Vessel & Property Damage Figures (2017-2021) ............................ 10
   Vessel Ownership ........................................................................... 10
   Primary Cause Assessed by Reviewing Authority ........................... 11
   Boat Operator Age, Experience and Gender ..................................... 11
   Operator/Occupant Swimming Ability and PFD Use ........................ 12
   Operator Education ......................................................................... 12
   Operator by Age with No Boater Education (2017-2021) ............... 12
   PFD Wear by Age ........................................................................... 13
   Victim Statistics .............................................................................. 13
   State Waters vs. Offshore Waters Accidents ................................. 13
   Victim Statistics (Ejected) ............................................................... 13
I. 2021 Boating Fatalities

- Top Ten States 2020
- Florida Total Fatalities Recorded (2017-2021)
- Investigating Agency
- Accidents by Month
- Time of Day
- Accident Types
- Operation at Time of Accident
- Accident Site Location
- Restricted Area Fatal Accidents
- Vessel Ownership
- Vessel Fuel & Hull Type
- Vessel Propulsion, Length & Type
- Primary Cause of Death
- Operator Gender
- Operator Age and Experience
- Operator Education
- Operators by Age without Formal Boater Education
- Victim Statistics (Ejected, Wearing PFD, Swimming Ability)
- Victim Residency
- Victim Gender and Age
- Alcohol/Drug Related Accidents and Victims
- Primary Cause Assessed by Reviewing Authority
- State Waters vs. Offshore Waters

IV. 2021 Boating Injuries

- Total Injuries Recorded (2017-2021)
- Types of Injury
- Victim Statistics (Injured, Swimming Ability and PFD Use)
- Victim Statistics (Ejected, Alcohol/Drug USE and AGE)
- Injury Action

V. 2021 Personal Watercraft (PWC) Accidents

- PWC Registration and Accidents by County
- Total PWC Registration
- PWC Ownership by Registration
- Comparison of PWC to Vessels Involved in Accidents
- PWC Accidents (2017-2021)
- Top Ten Counties
- Accident Site Location
V. **2021 Personal Watercraft (PWC) Accidents (Continued)**

Restricted Area Accidents ................................................. 30
Operation at Time of Accident ............................................. 30
Primary Type of Accident .................................................. 31
Primary Cause Assessed by Reviewing Authority ..................... 31
PWC Ownership ............................................................. 31
Operator Education ......................................................... 32
Operators by Age without Boater Education (2017-2021) ............. 32
Operator Age and Experience ............................................. 32
Primary Injury Types ....................................................... 33
Injuries (2017-2021) ......................................................... 33
Comparisons of PWC Injuries ............................................. 33
Comparisons of PWC Fatalities .......................................... 34
Fatalities (2017-2021) ....................................................... 34
Investigating Agency ....................................................... 34
Accidents by Month ...................................................... 34

VI. **2021 Boating Education Statistics**

Boating Safety Education Cards Issued, Top Ten Counties .......... 35
Card Distribution by Age and Gender ..................................... 35
Comparison of Boating Education Issued for 2021 .................... 35
Operators Involved in Accidents Education/Age ....................... 36
Operators Involved in Fatal Accidents Education/Age ............... 36

VII. **2021 Boating Violation Summary**

Uniform Boating Citation Summary ..................................... 37

VIII. **2021 Top Ten Counties Review**

Top Ten Counties Map ..................................................... 39
Monroe County ............................................................. 40-41
Miami-Dade County ....................................................... 42-43
Palm Beach County ....................................................... 44-45
Pinellas County .......................................................... 46-47
Lee County ............................................................... 48-49
Okaloosa County .......................................................... 50-51
Bay County .............................................................. 52-53
Collier County ............................................................ 54-55
Manatee County .......................................................... 56-57
Sarasota County .......................................................... 58-59
IX. Trend Analysis

Reportable Accidents 2012-2021.................................................. 61
Recreational Vessel Registration 2012-2021................................. 61
Fatalities 2011-2020.................................................................. 62
Injuries 2011-2020................................................................. 62
Boating Safety Education ID Cards Issued 2012-2021 ............... 63
Fatalities by Quarter 2012-2021.................................................... 63
Fatalities - Quarters 1 and 2....................................................... 64
Fatalities - Quarters 3 and 4....................................................... 65
Vessel Types 2017-2021............................................................. 66
Operator by Age 2012-2021....................................................... 67
PWC Accidents, Fatalities, and Injured 2012-2021...................... 68

X. Glossary

Definitions for Boating Accident Report Forms......................... 69-74
