

**STATE OF FLORIDA
FISH AND WILDLIFE CONSERVATION COMMISSION**

ORDER NO. EO-11-02

Camp Blanding Wildlife Management Area

The Florida Fish and Wildlife Conservation Commission, acting under the authority of Article IV, Section 9, Florida Constitution, hereby revises hunts scheduled during the 2011-2012 hunting season on the Camp Blanding Wildlife Management Area (WMA), described in 68A-15.062(1), as follows:

- (1) The hunt location for the two archery hunts scheduled on September 27-29, 2011 and October 4-6, 2011 (in the still hunt areas only) is changed to the archery-only areas (A-F), which are described in 68A-15.062(1)(a)(5), F.A.C. These areas are being opened during this time period in order to provide alternative acreage to archery hunters who will not be able to utilize the still hunt areas during these scheduled hunts. In the event military training is changed to occur outside of the still hunt areas, or is cancelled, these archery hunts will remain in the still hunt areas as originally scheduled.
- (2) The muzzleloading gun quota hunts scheduled on October 11-13, 2011 and October 18-20, 2011 are cancelled.
- (3) The supervised youth quota hunts scheduled on October 8-9, 2011 and October 22-23, 2011 are rescheduled to September 24-25, 2011 and November 19-20, 2011, respectively.
- (4) The revisions to these seasons are necessary due to conflict with military training that recently has been added to Camp Blanding's October 2011 schedule to prepare troops for deployment.

This action is effective upon signing by the Executive Director.
