f. To report any forest fires observed and to prevent forest fires during the course of operations under this Agreement.

g. To abide by all WMA/WEA rules and regulations in addition to items in this Agreement.

The USER understands that after this time, all the USER’S personal property remaining on the WMA/WEA shall be deemed abandoned and become the property of the COMMISSION, which will be utilized or disposed of at the sole discretion of the COMMISSION, and that reasonable storage and/or disposal fees and/or costs may be charged to the USER.

4. The parties mutually agree:

a. This Agreement is not transferable.

b. The USER’s failure to submit payment by the due date established herein may result in cancellation of the Agreement by the COMMISSION.

c. The USER’s failure to submit proof of general liability insurance or proof of annual renewal in compliance with (j) above may result in cancellation of this Agreement by the COMMISSION.

d. This Agreement shall be in effect for a period of three (3) years and issuance of a new agreement will be contingent upon a satisfactory performance evaluation and approval of the Area Biologist.

e. Each apiary site shall be situated so as to be at least one-half (1/2) mile inward from state property lines and there shall be at least one (1) mile separation between sites. Exceptions to this rule must be reviewed by the Area Biologist,

CONTRACT FOR

GRAZING ON BABCOCKWEBB WILDLIFE MANAGEMENT AREA (WMA), PASTURE #1

This CONTRACT is entered into by and between the FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION, whose address is 620 South Meridian Street, Tallahassee, Florida 32399-1600, hereinafter “COMMISSION” and Carroll Phillips, of C & S Citrus Services Inc., 117 Parkland Drive, Lake Placid, Florida 33852 hereinafter called the “CONTRACTOR”. If the CONTRACTOR is a corporation, its Florida corporate status must be current and an individual must sign as the guarantor.

NOW THEREFORE, the COMMISSION and the CONTRACTOR, for the consideration hereafter set forth, agree as follows:

1. PROJECT DESCRIPTION. The CONTRACTOR shall be provided access to the BABCOCKWEBB WILDLIFE MANAGEMENT AREA (WMA), PASTURE #1 to perform cattle grazing activities on the property as specified herein and shall perform those specific responsibilities and obligations, as set forth in the Scope of Work attached as Attachment A. The term “Scope of Work” when used in this Contract shall include Attachments A, B, and C and Exhibits A and B.

This CONTRACT is entered into pursuant to the COMMISSION's Invitation to Bid (ITB) FWC 12/13-51, the CONTRACTOR's Bid and the COMMISSION's Grazing Plan, of which all three are attached hereto and made an integral part of this CONTRACT. In the event of conflict between this CONTRACT and Attachments A, B, or C, the terms of this CONTRACT shall govern.

2. PERFORMANCE. The CONTRACTOR shall perform cattle grazing as described in the Scope of Work in a proper and satisfactory manner. Any and all equipment, products or materials necessary or appropriate to perform under this Contract shall be supplied by the CONTRACTOR. The CONTRACTOR shall be licensed as necessary to perform under this Contract as may be required by law, rule, or regulation, and shall provide evidence of such compliance to the COMMISSION upon request. The CONTRACTOR shall procure all supplies, pay all charges, fees, taxes and incidentals that may be required for the completion of this Contract. By acceptance of this Contract, the CONTRACTOR warrants that it has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good-faith performance as a responsible vendor. The CONTRACTOR shall comply with Chapter 287, F.S., and all other applicable laws, rules and ordinances.

3. PROPERTY. The property on which these activities described in this Contract will occur is described in Exhibit A of this Contract (the property). This is a Contract for the provision of cattle grazing by the CONTRACTOR, and shall not be construed to be a lease of real property.
4. TERM; RENEWAL. This Contract shall begin upon execution by both parties and end five (5) years thereafter, inclusive unless terminated earlier in accordance with its term. This Contract may be renewed for up to five (5) years, or for a total term not to exceed the original Contract period, whichever is longer. The stocking rate, number of Animal Units and acreage of the Contract during any renewal period shall be determined prior to the conclusion of the initial or subsequent terms. Reference herein to the "term" of this Contract shall include any renewal. Renewal of this Contract shall be in writing and subject to the same terms and conditions of this Contract; provided that the parties may by mutual agreement change such terms and conditions. Renewal amendments must be executed prior to the completion date of the Contract. All renewals are contingent upon satisfactory performance by the CONTRACTOR.

5. AMENDMENT OR MODIFICATION. No waiver or modification of this CONTRACT or of any covenant, condition, or limitation herein contained shall be valid unless in writing and lawfully executed by the parties.

6. CONTRACTOR'S RESPONSIBILITIES. In addition to the general provisions of this Contract the CONTRACTOR shall have the following specific responsibilities:

6.1 CONTRACTUAL PAYMENT SCHEDULE. The CONTRACTOR shall submit the first semi-annual payment and the $30,000.00 Performance Bond within ten (10) consecutive calendar days after the execution of the contract. The COMMISSION shall invoice the CONTRACTOR for subsequent semiannual payments. CONTRACTOR shall provide a Performance Bond each renewal period on or before the expiration date of the previous bond issued. All invoice payments shall be submitted to the Florida Fish and Wildlife Conservation COMMISSION, Finance & Budget Office, Post Office Box 6150, Tallahassee, FL 32314-6150.

The Performance Bond shall be submitted to the COMMISSION's Tallahassee Purchasing Office to the attention of TBP FWC 12/13-51, assigned Purchasing Agent with a copy sent to the Wildlife and Habitat Management (WHM) Section Leader. The bond must state on its front page: the name, principal business address, and phone number of the CONTRACTOR, the Surety, the COMMISSION's full name, the purchase order or contract number assigned to the project by the COMMISSION, and a description of the property and a general description of the project. Please note: A Notice to Proceed will not be issued until after the required bond has been received.

The Bond shall be issued from a reliable Surety Company acceptable to the COMMISSION, licensed to do business in the State of Florida and signed by a Florida Licensed Resident Agent. CONTRACTOR is to ensure the Surety Company includes in the performance bond language pertaining to payment in case the CONTRACTOR does not perform the yearly fire lane disking requirement, fence maintenance or in case of a default violation according to contract. Such a bond shall be accompanied by a duly authenticated power of attorney evidencing that the person executing the Bonds in behalf of the Surety had the authority to do so on the date of the bond. The cost of the Performance Bond shall be borne by the CONTRACTOR.
In lieu of a Performance Bond, the COMMISSION may prior approve an alternate form of security in the form of an irrevocable letter of credit. The alternative form of security shall be for the same purpose and be subject to the same conditions as those applicable to the Performance Bond.

The performance bond total value will be based on the total income derived based upon 12 month period which is calculated by using the animal units allowed on the WMA times the cost of an animal unit (rate bid) plus the estimated cost of plowing fire lanes each year (@30.00 per mile). The performance bond number calculated will be round up to nearest $5000 increment. Example: If the total number comes to $17,595.00 then the annual bond requirement will be set at $20,000.

Work shall not begin before the COMMISSION receives the Performance Bond and Power of Attorney. Failure to provide a Performance Bond and Power of Attorney may be grounds to find the Vendor in default, which could include; cancellation of the contract, and/or the Vendor's removal from the State's approved vendor list for future solicitations.

Failure of the CONTRACTOR to provide the initial Performance Bond within ten (10) consecutive calendar days after execution of the contract or provide a new bond annually within thirty (30) consecutive calendar days of the COMMISSION's semi-annual invoice date during the term of this Contract may be grounds to find the CONTRACTOR in default, which could include; cancellation of the Contract, and/or the CONTRACTOR removal from the FWC approved vendor list for future solicitations.

The CONTRACTOR is required to submit the original of the Performance Bond and original of the Power of Attorney to the COMMISSION's Tallahassee Purchasing Office to the attention of the COMMISSION'S, Contract Administrator, in order to secure the payment and performance of the CONTRACTOR'S obligations under this Contract. Additionally, the CONTRACTOR is required to provide a copy of the bond and power of attorney to the Wildlife and Habitat Management (WHM) Section Leader. This requirement is in effect for both the original issuance and the yearly renewals during the term of this Contract. Below are the addresses for which the CONTRACTOR shall send the originals and copies of the documents after each issuance event:

6.2 **STOCKING RATE.** The CONTRACTOR shall semi-annually pay the COMMISSION $76.00 per animal grazing unit for the first year of grazing ($11,400.00 semi-annually for a first year total of $22,800.00). The subsequent payments will be adjusted annually after the first year as noted in Section 9.1 below. Cattle shall be stocked at a rate not to exceed 300 animal grazing units on BABCOCK/WEBB WILDLIFE MANAGEMENT AREA (WMA), PASTURE #1 as identified in Exhibit A attached hereto. The stocking rate may only be increased with written permission by the COMMISSION. The stocking rate may be decreased by the COMMISSION upon written notice to the CONTRACTOR if grazing is excessive for optimum wildlife management. The CONTRACTOR shall accordingly increase or decrease such stocking rate within 60 days of written notice by the COMMISSION.

The CONTRACTOR shall provide the Contract Manager with an Annual Forage Assessment and Maximum Stocking Rate estimate performed by either a local NRCS extension office, or a professional rangeland consultant by January 31st each year.

6.3 **MARKING OWNERSHIP.** The CONTRACTOR shall mark all cattle with the CONTRACTOR’s brand, tag, or other owner identification before releasing the cattle for grazing on the above COMMISSION land. The CONTRACTOR shall mark all calves born in the grazing lands at the first gathering after their births, which shall be undertaken within six months of such births. All cattle grazed under this CONTRACT shall be the property of the CONTRACTOR and therefore the sole responsibility of the CONTRACTOR.

6.4 **FENCE MAINTENANCE/PERFORMANCE BOND.** The CONTRACTOR shall maintain all grazing lands, exterior and interior fences and cattle guards in good and operable condition. The CONTRACTOR shall perform necessary fence replacement and repair in accordance with specifications for fence construction detailed in Attachment C, (attached). All fences, gates and cattle guards must be maintained in a manner to prevent egress of cattle to areas outside the contracted property. Replacement and/or repair of all posts, cattle guards, gates, material and labor shall be at the sole and exclusive expense of the CONTRACTOR, except as stated under “COMMISSION RESPONSIBILITIES.” the CONTRACTOR shall promptly remove storm debris from fencing and make the appropriate repairs. The CONTRACTOR shall relinquish all fences, including posts, gates, and cattle guards in good working condition, to the COMMISSION upon termination of this CONTRACT. Furthermore, the CONTRACTOR shall be required to use only the COMMISSION's furnished key or combination locks for said gates.

The CONTRACTOR shall furnish a Performance Bond to the COMMISSION conditioned upon the provisions as herein provided. Failure of the CONTRACTOR to properly maintain fencing shall allow the COMMISSION to make a claim on the Performance Bond. In the event of such a claim, the CONTRACTOR shall provide the monies from the Performance Bond to the COMMISSION immediately upon notification by the COMMISSION.

6.5 **GRAZING ACCOUTREMENTS.** The CONTRACTOR shall be required to have the COMMISSION’s Contract Manager’s written permission to construct or make any physical alterations or improvements to the grazing lands. The CONTRACTOR shall be required to maintain all interior fences in accordance with specifications in Attachment D.
and other constructed physical alterations or improvements to the grazing lands that are necessary to the CONTRACTOR's grazing operations and which are necessary for the CONTRACTOR to fulfill the covenants to which he or she is bound. The CONTRACTOR shall not cross-fence the grazing lands without prior written approval of the COMMISSION. Hay shall not be brought onto the property for supplemental feeding. Pellets, minerals and liquid feeds are allowed. All supplemental feeding sites shall be rotated every 90 days unless written approval is given by the COMMISSION. All approved cross fences and related constructed physical alterations or improvements constructed solely at the expense of the CONTRACTOR shall remain the property of the CONTRACTOR and the CONTRACTOR shall expeditiously remove same upon termination of this CONTRACT and shall reasonably restore such grazing lands to the condition existing prior to the construction of such physical alterations and improvements, except as otherwise approved in writing by the COMMISSION.

6.6 GROUND DISTURBING ACTIVITIES. The CONTRACTOR shall not initiate any ground disturbing activities including construction of ditches or ponds, vegetation manipulation, or application of pesticide, herbicide, or fertilization upon the grazing lands without prior written approval from the COMMISSION. These restrictions do not exempt the CONTRACTOR from the annual fire lane maintenance requirement.

6.7 FIRE Lanes/PERFORMANCE BOND. No less than once every 12 months between April 15 and June 15 of each calendar year, the CONTRACTOR shall disk existing fire lanes of no less than ten foot widths. Such fire lanes shall divide established burn units and completely encircle the perimeter of the contracted area as identified in Exhibit B. Such fire lanes shall be disked two times with a minimum disked depth of six inches, while maintaining natural topography (i.e. soil remains in fire lane to avoid creating a ditch). The CONTRACTOR may request from the COMMISSION, in writing, an extension of time past June 15 of any year for such disking in the event of wet conditions which make such disking impractical.

The CONTRACTOR may request from the COMMISSION, in writing, to disk fire lanes in a different time of year. CONTRACTOR shall disk fire lanes following written acceptance of the request by the Contract Manager. Such request for extension shall be made by the CONTRACTOR on or before April 30 of said calendar year. Approval for such extension must be in writing from the COMMISSION and shall specify the date upon which the extension shall expire. The granting of an extension for fire lane maintenance shall not be unreasonably withheld. The CONTRACTOR shall furnish a Performance Bond to the COMMISSION conditioned upon the provisions as herein provided. Failure of the CONTRACTOR to properly disk no earlier than April 15 of each calendar year and no later than June 15 of each calendar year or such date upon which any extension shall expire if such extension is approved by the COMMISSION, shall allow the COMMISSION to make a claim on the Performance Bond. In the event of such a claim, the CONTRACTOR shall provide the monies from the Performance Bond to the COMMISSION immediately upon notification by the COMMISSION.

6.8 BURNING. The CONTRACTOR specifically agrees not to willfully set fire, or allow any agent or employee of the CONTRACTOR to set fire, to the grazing lands. Failure to comply will be cause for immediate cancellation of the CONTRACT after review by the
COMMISSION. If it is determined by the COMMISSION that the CONTRACTOR was negligent, the negligence shall provide grounds for a claim against the CONTRACTOR’s Performance Bond.

6.9 VEHICLES. The CONTRACTOR shall register with the CONTRACT MANAGER any vehicles used by the CONTRACTOR, its agents and employees on the grazing lands and shall have a permit from the Contract Manager in any such vehicle while on the grazing lands. The permit shall be displayed upon demand of the COMMISSION.

6.10 CAMPING. The CONTRACTOR shall not allow camping, except as approved in writing by the COMMISSION and at campsites designated by the COMMISSION.

6.11 GATHERING NOTICE. The CONTRACTOR shall give no fewer than seven days written notice to the COMMISSION and other CONTRACTOR's whose use or contract adjoins the grazing lands, prior to the gathering or round-up of cattle within the grazing lands.

6.12 REGULATIONS: The CONTRACTOR shall abide by all laws, rules and regulations relating to the taking of wild animal life or freshwater aquatic life, and use of the grazing lands for outdoor recreational purposes as hereinafter provided, and the CONTRACTOR shall be responsible to the COMMISSION under this CONTRACT for its agents and employees so abiding by all such laws, rules and regulations.

6.13 ASSIGNMENT: The CONTRACTOR shall not assign any or all of the rights, liabilities, duties or obligations of the CONTRACT nor subcontract any part of the grazing lands, without the prior written approval of the COMMISSION.

6.14 INDEMNITY: The CONTRACTOR shall save, hold harmless and indemnify the State of Florida and the COMMISSION against any and all liability, claims, judgments or costs of whatsoever kind and nature for injury to, or death of any person or persons and for the loss or damage to any property resulting from the use, service, operation or performance of work under the terms of this Contract, resulting from the acts or omissions of the CONTRACTOR, his subcontractor, or any of the employees, agents or representatives of the CONTRACTOR or subcontractor.

6.15 INSURANCE: The CONTRACTOR shall, throughout the term of this CONTRACT, at his own cost and expense, provide, maintain and keep in force general liability insurance (including personal injury and property damage), insuring against liability for injury to persons or property occurring in, on or about the property or arising out of CONTRACTOR’s possession, use, occupancy or maintenance thereof in an amount not less than $500,000 (Five Hundred Thousand Dollars) per occurrence and $1,000,000 annual aggregate for bodily injury and not less than $100,000 per occurrence and $300,000 annual aggregate for property damage and comprehensive automobile liability coverage with limits of not less than $500,000 combined single limit for bodily injury and property damage. The CONTRACTOR shall allow the COMMISSION, the State, or other authorized representatives, access to periodically inspect, review or audit such documents as books, vouchers, records, reports, canceled checks and any and all similar material. Such audit may include examination and review of the source and application of all funds whether from the state, local or federal government, private sources or otherwise. These records shall be maintained for five (5) years following the close of this Contract. In the event any work is subcontracted, the CONTRACTOR shall require each subcontractor to similarly maintain and allow access to such records for audit purposes.

6.17 **EXOTIC VEGETATION:** In an effort to control exotic plants such as Tropical Soda Apple, all cattle shall be held six (6) days in a quarantine pen (Tropical Soda Apple and all other exotic plants free), outside of the state lands, before being released on the BABCOCK WEBB WILDLIFE MANAGEMENT AREA (WMA), PASTURE #1. During that period, the quarantine pen and grazing units will be inspected at various times by the Contract Manager. If it can be determined that the CONTRACTORS’ cattle are spreading the Tropical Soda Apple because cattle were not held for the full required quarantined period, then the CONTRACTOR will be responsible for the elimination of the Tropical Soda Apple.

Exotic plant elimination shall be done in accordance with Attachment B attached hereto, Tropical Soda Apple Best Management Practices (BMP). Failure to remedy the situation in a timely manner shall result in cancellation of the CONTRACT, forfeiture of Performance Bond and immediate payment of remaining CONTRACT fees.

Tropical Soda Apple is listed as a state noxious weed (B-57.007 F.A.C.). Movement of this plant within the State of Florida without a permit is illegal.

7. **COMMISSION ACTIVITIES AND RESPONSIBILITIES.** In consideration of this Contract, COMMISSION permits CONTRACTOR to utilize the Property to CONTRACTORS benefit in accordance with this Contract. The COMMISSION’S activities and responsibilities in regard to the Property will be as follows:

7.1 **LAND MANAGEMENT AND PUBLIC USE.** COMMISSION shall retain the right to access and utilize the Property in all ways, it being understood by the parties that
the CONTRACTOR'S activities on the Property under this Contract are strictly limited to activities specifically permitted by this Contract. COMMISSION will continue to conduct public recreation and general management activities, including but not limited to public hunting and fishing, without interference from the CONTRACTOR. The COMMISSION may engage in land management, controlled burns and exotic plant control activities which include areas of the Property and immediately adjacent to the Property. All prescribed burning shall be performed by COMMISSION personnel, or under COMMISSION supervision. The CONTRACTOR shall not willfully nor negligently set fire, or allow any agent or employee of the CONTRACTOR to set fire, to the grazing lands. Failure to comply will be cause for immediate cancellation of this Contract.

7.2 WITHDRAWAL OF ACREAGE. When the COMMISSION, in its sole discretion, determines that it is necessary for wildlife management or other management reasons (including but not limited to a sale or other disposition of all or part of the Property), to withdraw acreage from the Property, such acreage shall be withdrawn upon 60 days notice to CONTRACTOR. Upon such withdrawal, the COMMISSION shall notify the CONTRACTOR of the reduction of payments due under this Contract. Such reduction shall be determined by the COMMISSION based on the price paid by the CONTRACTOR per animal unit, times the number of animal units permitted on the reduced acreage.

8. COMMISSION'S RIGHTS AND RESPONSIBILITIES

8.1 FENCE: The COMMISSION, at its discretion, may install new fencing, and shall coordinate such activities with those of the CONTRACTOR.

8.2 BURNING: All burning prescribed and otherwise shall be conducted by the COMMISSION.

8.4 WILDLIFE MANAGEMENT EXCLUSIVITY: The COMMISSION shall have the right to withdraw/add certain acreage from the CONTRACT and from/to the CONTRACTOR' s cattle grazing use of such acreage, when reasonably necessary or expedient for the proper management of wildlife, upon written notice to the CONTRACTOR with no fewer than 60 days prior to such withdrawal/add of such acreage, the COMMISSION may fence such acreage so withdrawn/added at its sole expense. Withdrawal/add of such acreage shall cause the CONTRACT payment to be adjusted accordingly.

8.5 MINERAL USE: The COMMISSION shall have the right to remove or cause to be removed any or all minerals, oil or gas occurring on the grazing lands. It is specifically understood that the rights of the CONTRACTOR are confined solely to the grazing of cattle.
8.6 OTHER USES: The COMMISSION shall have the right to conduct any other activity not specified that is not reasonably inconsistent with and does not unreasonably interfere with cattle grazing uses.

9. SPECIAL CONDITIONS

9.1 CONTRACT ADJUSTMENTS: The annual CONTRACT payment shall be adjusted in accordance to the difference of the previous two (2) years' annual average calf prices in the Annual Livestock Summary (ALS), published by the Florida Crop and Livestock Reporting Service in August. Such adjustment shall be made to the subsequent invoice. The initial annual CONTRACT payment to be paid by CONTRACTOR to the COMMISSION shall increase or decrease by the same percentage of increase or decrease indicated in the ALS as to annual average calf prices.

In addition, the initial annual CONTRACT payment shall be adjusted if the COMMISSION increases or decreases the stocking rate. The COMMISSION shall notify the CONTRACTOR in writing of any stocking rate adjustments. Within thirty (30) days of date of invoice, the CONTRACTOR shall pay the COMMISSION the amount of such adjustment. The annual CONTRACT payment shall also be adjusted if the COMMISSION withdraws acreage for management purposes or if the State sells a part of the grazing lands which affects the CONTRACTOR. Within thirty (30) days of written notice by the COMMISSION, the CONTRACTOR shall adjust cattle stocking rates or remove the cattle from the acreage withdrawn or sold, accordingly. The COMMISSION shall rebate the amount of such adjustment to the CONTRACTOR.

9.3 LATE FEE: Should the CONTRACTOR fail to make the semiannual CONTRACT payment, CONTRACTOR shall be charged interest at the rate of one and one-half percent (1 1/2%) per month, or fraction thereof, on the amount of the delinquent payment beginning the first day following the due date of payment until paid. Any court costs and attorney's fees required to collect past due CONTRACT payments will be at the expense of the CONTRACTOR.

9.4 TERMINATION: This CONTRACT may be terminated in the following ways:

a. This CONTRACT shall terminate immediately upon the COMMISSION giving written notice to the CONTRACTOR in the event of fraud or willful misconduct or breach of this CONTRACT. The COMMISSION at its option may allow up to thirty (30) calendar days to correct a breach of this CONTRACT.

b. This CONTRACT shall terminate upon the COMMISSION giving written notice to the CONTRACTOR in the event the annual CONTRACT payment is not paid when due. Such termination is at the option of the COMMISSION.

c. This CONTRACT shall terminate upon the COMMISSION giving written notice to the CONTRACTOR, in the event the CONTRACTOR, his agents or employees fail to abide by all laws, rules and regulations relating to the taking of wild animal life or freshwater
aquatic life, and the use of grazing lands for outdoor recreational purposes as herein provided, for failing to abide by other laws and rules of the State of Florida.

d. This CONTRACT shall terminate sixty (60) days following the COMMISSION giving written notice to the CONTRACTOR that the grazing lands are to be sold. Within thirty (30) days of confirmation by the COMMISSION that CONTRACTOR has to remove his cattle, the COMMISSION shall rebate the prorated share of the annual contract payment to the CONTRACTOR.

e. This CONTRACT may be terminated by the COMMISSION in its sole discretion upon thirty (30) days written notice to the CONTRACTOR in the event the continuation of cattle grazing activities on the premises are found to be incompatible with the COMMISSIONS management plans or activities on the BABCOCK/WEBB WILDLIFE MANAGEMENT AREA (WMA), PASTURE #1.

f. If the CONTRACT is terminated upon written notice, the CONTRACTOR shall have thirty (30) days after receipt of the written notice in which to remove his cattle from the grazing lands.

g. Either party may terminate this Contract, for any reason, by giving written notice to the other party specifying the termination date, at least 60 days prior to the termination date specified in the notice. In the event of termination under this provision by the COMMISSION, the CONTRACTOR may be given reasonable time, determined by the sole discretion of the COMMISSION, to remove equipment, etc. In the event of termination under this provision by the CONTRACTOR, the CONTRACTOR must ensure all provisions that impact the condition of the WMA (fencing, roads, etc) and/or payments owed must be paid in full including any partial payments due the COMMISSION for use days since last payment before contract closeout.

CONTRACT shall govern.

2. PERFORMANCE. The CONTRACTOR shall perform cattle grazing as described
in the Scope of Work in a proper and satisfactory manner. Any and all equipment, products
or materials necessary or appropriate to perform under this Contract shall be supplied by
the CONTRACTOR. The CONTRACTOR shall be licensed as necessary to perform under
this Contract as may be required by law, rule, or regulation, and shall provide evidence of

rules and ordinances.

3. PROPERTY. The property on which these activities described in this Contract will
occur is described in Exhibit A of this Contract (the property). This is a Contract for the
provision of cattle grazing by the CONTRACTOR, and shall not be construed to be a lease
of real property.
4. **TERM; RENEWAL.** This Contract shall begin upon execution by both parties and end five (5) years thereafter, inclusive unless terminated earlier in accordance with its term. This Contract may be renewed for up to five (5) years, or for a total term not to exceed the original Contract period, whichever is longer. The stocking rate, number of Animal Units and acreage of the Contract during any renewal period shall be determined prior to the conclusion of the initial or subsequent terms. Reference herein to the “term” of this Contract shall include any renewal. Renewal of this Contract shall be in writing and subject to the same terms and conditions of this Contract; provided that the parties may by mutual agreement change such terms and conditions. Renewal amendments must be executed prior to the completion date of the Contract. All renewals are contingent upon satisfactory performance by the CONTRACTOR.

5. **AMENDMENT OR MODIFICATION.** No waiver or modification of this CONTRACT or of any covenant, condition, or limitation herein contained shall be valid unless in writing and lawfully executed by the parties.

6. **CONTRACTOR’S RESPONSIBILITIES.** In addition to the general provisions of this Contract the CONTRACTOR shall have the following specific responsibilities:

6.1 **CONTRACTUAL PAYMENT SCHEDULE.** The CONTRACTOR shall submit the first semi-annual payment and the $20,000.00 Performance Bond within ten (10) consecutive calendar days after the execution of the contract. The COMMISSION shall invoice the CONTRACTOR for subsequent semiannual payments. CONTRACTOR shall provide a Performance Bond each renewal period on or before the expiration date of the previous bond issued. All invoice payments shall be submitted to the Florida Fish and Wildlife Conservation COMMISSION, Finance & Budget Office, Post Office Box 6150, Tallahassee, FL 32314-6150.

The Performance Bond shall be submitted to the COMMISSION's Tallahassee Purchasing Office to the attention of ITB FWC 12/13-62, assigned Purchasing Agent with a copy sent to the Wildlife and Habitat Management (WHM) Section Leader. The bond must state on its front page: the name, principal business address, and phone number of the CONTRACTOR, the Surety, the COMMISSION’s full name, the purchase order or contract number assigned to the project by the COMMISSION, and a description of the property and a general description of the project. Please note: A Notice to Proceed will not be issued until after the required bond has been received.

The Bond shall be issued from a reliable Surety Company acceptable to the COMMISSION, licensed to do business in the State of Florida and signed by a Florida Licensed Resident Agent. CONTRACTOR is to ensure the Surety Company includes in the performance bond language pertaining to payment in case the CONTRACTOR does not perform the yearly fire lane disking requirement, fence maintenance or in case of a default violation according to contract. Such a bond shall be accompanied by a duly authenticated power of attorney evidencing that the person executing the Bonds in behalf of the Surety had the authority to do so on the date of the bond. The cost of the Performance Bond shall be borne by the CONTRACTOR.
In lieu of a Performance Bond, the COMMISSION may prior approve an alternate form of security in the form of an irrevocable letter of credit. The alternative form of security shall be for the same purpose and be subject to the same conditions as those applicable to the Performance Bond.

The performance bond total value will be based on the total income derived based upon 12 month period which is calculated by using the animal units allowed on the WMA times the cost of an animal unit (rate bid) plus the estimated cost of disking fire lanes each year @$30.00 per mile). The performance bond number calculated will be round up to nearest $5000 increment. Example: If the total number comes to $17,695.00 then the annual bond requirement will be set at $20,000.

Work shall not begin before the COMMISSION receives the Performance Bond and Power of Attorney. Failure to provide a Performance Bond and Power of Attorney may be grounds to find the Vendor in default, which could include; cancellation of the contract, and/or the Vendor’s removal from the State’s approved vendor list for future solicitations.

Failure of the CONTRACTOR to provide the initial Performance Bond within ten (10) consecutive calendar days after execution of the contract or provide a new bond annually within thirty (30) consecutive calendar days of the COMMISSIONS semi-annual invoice date during the term of this Contract may be grounds to find the CONTRACTOR in default, which could include; cancellation of the Contract, and/or the CONTRACTOR removal from the FWC approved vendor list for future solicitations.

The CONTRACTOR is required to submit the original of the Performance Bond and original of the Power of Attorney to the COMMISSION’s Tallahassee Purchasing Office to the attention of the COMMISSIONS, Contract Administrator, in order to secure the payment and performance of the CONTRACTOR’S obligations under this Contract. Additionally, the CONTRACTOR is required to provide a copy of the bond and power of attorney to the Wildlife and Habitat Management (WHM) Section Leader. This requirement is in effect for both the original issuance and the yearly renewals during the term of this Contract. Below are the addresses for which the CONTRACTOR shall send the originals and copies of the documents after each issuance event:

6.2 STOCKING RATE. The CONTRACTOR shall semi-annually pay the COMMISSION $41.01 per animal grazing unit for the first year of grazing ($5,659.38 semi-annually for a first year total of $11,318.76). The payment will be adjusted annually as noted in Section 9.1 below. Cattle shall be stocked at a rate not to exceed 276 animal grazing units on BABCOCK-WEBB WILDLIFE MANAGEMENT AREA (WMA), PASTURE #2 as identified in Exhibit A attached hereto. The stocking rate may only be increased with written permission by the COMMISSION. The stocking rate may be decreased by the COMMISSION upon written notice to the CONTRACTOR if grazing is excessive for optimum wildlife management. The CONTRACTOR shall accordingly increase or decrease such stocking rate within 60 days of written notice by the COMMISSION.

The CONTRACTOR shall provide the Contract Manager with an Annual Forage Assessment and Maximum Stocking Rate estimate performed by either a local NRCS extension office, or a professional rangeland consultant by January 31st each year.

6.3 MARKING OWNERSHIP. The CONTRACTOR shall mark all cattle with the CONTRACTOR’s brand, tag, or other owner identification before releasing the cattle for grazing on the above COMMISSION land. The CONTRACTOR shall mark all calves born in the grazing lands at the first gathering after their births, which shall be undertaken within six months of such births. All cattle grazed under this CONTRACT shall be the property of the CONTRACTOR and therefore the sole responsibility of the CONTRACTOR.

6.4 FENCE MAINTENANCE/PERFORMANCE BOND. The CONTRACTOR shall maintain all grazing lands, exterior and interior fences and cattle guards in good and operable condition. The CONTRACTOR shall perform necessary fence replacement and repair in accordance with specifications for fence construction detailed in Attachment D, (attached). All fences, gates and cattle guards must be maintained in a manner to prevent egress of cattle to areas outside the contracted property. Replacement or repair of all posts, cattle guards, gates, material and labor shall be at the sole and exclusive expense of the CONTRACTOR, except as stated under “COMMISSION RESPONSIBILITIES.” the CONTRACTOR shall promptly remove storm debris from fencing and make the appropriate repairs. The CONTRACTOR shall relinquish all fences, including posts, gates, and cattle guards in good working condition, to the COMMISSION upon termination of this CONTRACT. Furthermore, the CONTRACTOR shall be required to use only the COMMISSION’s furnished key or combination locks for said gates.

The CONTRACTOR shall furnish a Performance Bond to the COMMISSION conditioned upon the provisions as herein provided. Failure of the CONTRACTOR to properly maintain fencing shall allow the COMMISSION to make a claim on the Performance Bond. In the event of such a claim, the CONTRACTOR shall provide
the money from the Performance Bond to the COMMISSION immediately upon notification by the COMMISSION.

6.5 GRAZING ACCOUTREMENTS. The CONTRACTOR shall be required to have the COMMISSION’s Contract Manager’s written permission to construct or make any physical alterations or improvements to the grazing lands. The CONTRACTOR shall be required to maintain all interior fences in accordance with specifications in Attachment D and other constructed physical alterations or improvements to the grazing lands that are necessary to the CONTRACTOR’s grazing operations and which are necessary for the CONTRACTOR to fulfill the covenants to which he or she is bound. The CONTRACTOR shall not cross-fence the grazing lands without prior written approval of the COMMISSION. Hay shall not be brought onto the property for supplemental feeding. Pellets, minerals and liquid feeds are allowed. All supplemental feeding sites shall be rotated every 90 days unless written approval is given by the COMMISSION. All approved cross fences and related constructed physical alterations or improvements constructed solely at the expense of the CONTRACTOR shall remain the property of the CONTRACTOR and the CONTRACTOR shall expeditiously remove same upon termination of this CONTRACT and shall reasonably restore such grazing lands to the condition existing prior to the construction of such physical alterations and improvements, except as otherwise approved in writing by the COMMISSION.

6.6 GROUND DISTURBING ACTIVITIES. The CONTRACTOR shall not initiate any ground disturbing activities including construction of ditches or ponds, vegetation manipulation, or application of pesticide, herbicide, or fertilization upon the grazing lands without prior written approval from the COMMISSION. These restrictions do not exempt the CONTRACTOR from the annual fire lane maintenance requirement.

6.7 FIRE LANES/PERFORMANCE BOND. No less than once every 12 months between April 15 and June 15 of each calendar year, the CONTRACTOR shall disk existing fire lanes of no less than ten foot widths. Such fire lanes shall divide established burn units and completely encircle the perimeter of the contracted area as identified in Exhibit B, attached hereto; BABCOCKWEBB WILDLIFE MANAGEMENT AREA (WMA), PASTURE #2 FIRELINES. Such fire lanes shall be disked two times with a minimum disked depth of six inches, while maintaining natural topography (i.e. soil remains in firelane to avoid creating a ditch). The CONTRACTOR may request from the COMMISSION, in writing, an extension of time past June 15 of any year for such disking in the event of wet conditions which make such disking impractical.

The CONTRACTOR may request from the COMMISSION, in writing, to disk fire lanes in a different time of year. CONTRACTOR shall disk fire lanes following written acceptance of the request by the Contract Manager. Such request for extension shall be made by the CONTRACTOR on or before April 30 of said calendar year. Approval for such extension must be in writing from the COMMISSION and shall specify the date upon which the extension shall expire. The granting of an extension for fire lane maintenance shall not be unreasonably withheld. The CONTRACTOR shall furnish a Performance Bond to the
COMMISSION conditioned upon the provisions as herein provided. Failure of the CONTRACTOR to properly file no earlier than April 15 of each calendar year and no later than June 15 of each calendar year or such date upon which any extension shall expire if such extension is approved by the COMMISSION, shall allow the COMMISSION to make a claim on the Performance Bond. In the event of such a claim, the CONTRACTOR shall provide the monies from the Performance Bond to the COMMISSION immediately upon notification by the COMMISSION.

6.8 BURNING. The CONTRACTOR specifically agrees not to willfully set fire, or allow any agent or employee of the CONTRACTOR to set fire, to the grazing lands. Failure to comply will be cause for immediate cancellation of the CONTRACT after review by the COMMISSION. If it is determined by the COMMISSION that the CONTRACTOR was negligent, the negligence shall provide grounds for a claim against the CONTRACTOR's Performance Bond.

6.9 VEHICLES. The CONTRACTOR shall register with the CONTRACT MANAGER any vehicles used by the CONTRACTOR, its agents and employees on the grazing lands and shall have a permit from the Contract Manager in any such vehicle while on the grazing lands. The permit shall be displayed upon demand of the COMMISSION.

6.10 CAMPING. The CONTRACTOR shall not allow camping, except as approved in writing by the COMMISSION and at campsites designated by the COMMISSION.

6.11 GATHERING NOTICE. The CONTRACTOR shall give no fewer than seven days written notice to the COMMISSION and other CONTRACTOR's whose use or contract adjoins the grazing lands, prior to the gathering or round-up of cattle within the grazing lands.

6.12 REGULATIONS: The CONTRACTOR shall abide by all laws, rules and regulations relating to the taking of wild animal life or freshwater aquatic life, and use of the grazing lands for outdoor recreational purposes as hereinbefore provided, and the CONTRACTOR shall be responsible to the COMMISSION under this CONTRACT for its agents and employees so abiding by all such laws, rules and regulations.

6.13 ASSIGNMENT: The CONTRACTOR shall not assign any or all of the rights, liabilities, duties or obligations of the CONTRACT nor subcontract any part of the grazing lands, without the prior written approval of the COMMISSION.
