Raiford
Wildlife Management Area

Regulations Summary and Area Map
July 01, 2019 – June 30, 2020

This brochure is designed to provide the public with information and a summary of
regulations pertaining to hunting and other recreational use on the Raiford Wildlife
Management Area. Regulations that are new or differ substantially from last year are
shown in bold print. Area users should familiarize themselves with all regulations. For
exact wording of the wildlife laws and regulations, see the Florida Fish and Wildlife
Conservation Commission’s wildlife code, on file with the Secretary of State and state
libraries. This brochure, the Florida Hunting Regulations handbook, and quota permit
worksheets should provide the information necessary for you to plan your hunting
activities. These publications are available at MyFWC.com.

Persons using wildlife management areas are required to have appropriate licenses, permits
and stamps. The following persons are exempt from all license and permit requirements
(except for quota permits when listed as “no exemptions,” recreational use permits,
antlerless deer permits and the Migratory Bird Hunting and Conservation Stamp [federal
duck stamp]): Florida residents who are 65 years of age or older; residents who possess a
Florida Resident Disabled Person Hunting and Fishing Certificate; residents in the U.S.
Armed Forces, not stationed in Florida, while home on leave for 30 days or less, upon
submission of orders; and children under 16 years of age. Children under 16 years of age
are exempt from the federal duck stamp. Anyone born on or after June 1, 1975 and 16 years
of age or older must have passed a Commission-approved hunter-safety course prior to
being issued a hunting license, except the Hunter Safety Mentoring exemption allows
anyone to purchase a hunting license and hunt under the supervision of a licensed hunter,
21 years of age or older.

Licenses and permits may be purchased from county tax collectors, license agents, by
telephone at 888-486-8356 or at GoOutdoorsFlorida.com. A no-cost Migratory Bird Permit
is available when purchasing a hunting license. Any waterfowl hunter 16 years of age or
older must possess a federal duck stamp.

Quota Permit Information:

Permit applications: Hunters must submit electronic applications for quota permits at
GoOutdoorsFlorida.com. Worksheets listing hunts, application periods, deadlines and
instructions are available at county tax collector’s offices, FWC offices or MyFWC.com.
Quota application periods occur throughout the year beginning April 1; please refer to
hunting handbook or MyFWC.com for specific dates. Worksheets will be available about
2 weeks prior to each application period.
Guest hunters: For each non-transferable archery, muzzleloading gun, general gun, wild hog, spring turkey and mobility-impaired quota permit issued through GoOutdoorsFlorida.com, a quota permit holder (host) may take a guest hunter by obtaining a guest permit. Guest hunters are not allowed during youth turkey hunts. A guest hunter must possess a completed guest permit while hunting except the following persons may be a guest hunter without a guest permit: a youth under 16 years of age, a youth supervisor, a mentor license holder or a mentor license supervisor. A host may only bring 1 guest hunter at a time and may only use 1 guest permit per day. The following persons are not considered to be guest hunters: other quota permit holders, non-hunters and exempt hunters (on areas and during seasons that allow exemptions). The guest hunter and host must enter and exit the area together and must share a street-legal vehicle while hunting on the area. The guest hunter may hunt only while the host is on the area. Refer to the quota hunt worksheets for additional information.

Youth and mentor license holders: A supervisor is required to accompany a youth or mentor license holder during any hunt. A youth hunter (less than 16 years of age) must be supervised by a person at least 18 years of age. A mentor license holder must be supervised by a licensed hunter at least 21 years of age. Unless exempt, only those supervisors with proper licenses and permits may hunt. If the supervisor is hunting during any hunt for which quota permits are issued, at least 1 person in the party must be in possession of a quota permit. During a hunt that allows exemptions, a non-exempt supervisor of a youth must have a quota permit to hunt.

Transfer of permits: Quota and guest permits are not transferable. A positive form of identification is required when using a non-transferable permit, except for a youth under 16 years of age. The sale or purchase of any quota permit or guest permit is prohibited.
