

# MEMORANDUM

**To:** Florida Fish and Wildlife Conservation Commissioners  
**From:** Colonel Curtis Brown, Director, Law Enforcement  
**Date:** December 7, 2017  
**Subject:** Staff Report - Boating Enforcement Statistics

---

**Purpose:**

To brief the Commission on the state of the Division of Law Enforcement's boating safety enforcement efforts.

**Summary:**

This presentation will summarize the statistics of FWC's Division of Law Enforcement's water patrol efforts published in the Annual Boating Safety Report. Categories captured in the report include but are not limited to: water patrol, boating under the influence (BUI), manatee enforcement, boating accident investigation, uniform boating citation statistics, boating safety warnings issued, manpower allocation, vessel theft, and boating education.

**Staff Recommendation:**

This presentation is for informational purposes and any direction the Commission may have for staff.

**Staff Contact and/or Presenter:**

Major Robert Rowe, Boating and Waterways Section Leader
